If you would like to record these results in your SME Climate Hub account, please log in and go to this page: <https://carboncalculator.smeclimatehub.org/upload>

In order to upload results you will need to (at least temporarily) set the sharing permissions on this sheet to "Anyone with the link can access".

Please note that Outside of scopes/biogenic emissions will not be included in the upload.

Note all calculations are expressed in kgCO2e (GWP100), calculated utilising emission factors and methodology according to the source cited for each calculation. All values are estimates based on the
